Task 1: History/English
This week for your homework, I would like you to complete a piece of research that will feed directly into your creative writing next week.

- Please research and write down, lots of information on Remembrance Day, when/why/how it started, why it still continues today, the significance of the poppies and so on. Your research will need to help you write one full A4 page. This work will be used on Wednesday to create our class Remembrance display. Please ensure this work is completed and brought in to school, no later than Tuesday 10th November to enable you to complete the task.

Task 2: Spellings:
Your spelling list is attached, please ensure you know how to spell these words, what they mean and that you can use them in the correct context. You will be tested on them!!!

Task 3: Maths:
Please complete the tasks set for you on MyMaths – don't forget the school password changed to maths26, if you have lost your updated card.

Task 4: RE/Art
In the next week or two, we shall be creating our competition Nativity paintings.
In preparations for this, I would like you to *plan and draft* yours. You need to consider what part of the Nativity story you're going to recreate, how you're going to present it as well as finding the matching Bible reference for it too. We shall be creating them properly in class but you need to have planned exactly what you wish to present. We shall be using watercolour paints for our overall finish in class.

Have a lovely weekend, see you next week.
Mrs Moran
