St Patrick's Class Homework 5th November

Term 2 Week 1 Homework

English

Complete the two attached 10-minute SPaG tests. Be sure to set a timer and challenge yourself to complete and check each test within the allocated time. Once finished, use the provided answer sheets to self-assess your work.

Spellings

Your spelling assignment has been set on EdShed. Spellings will be tested as usual next Friday.

Maths

Complete the tasks set on MyMaths - remember to make use of the video tutorials to support your learning.

You have seen how important quick recall of your times tables is in our current Maths topic. This will remain a key skill as we continue our work on Fractions. **You are expected to practise your times tables for at least 10 minutes every day** . Regular practice will help improve your speed, accuracy and confidence when recalling multiplication and division facts.

Celebrating Differences Week

For your homework I would like you to research a person of importance from your own culture or heritage whom you would like to write about during Celebrating Differences Week. This could be someone who has made a significant contribution to history, science, sport, the arts or society.

Your research should include information about their background, why they are important, their key achievements and any other interesting facts you feel are worth including. Try to gather as much information as possible and record it in your own words, as this will help you prepare for our Creative Writing task in class. Be prepared to use the information you have collected to develop your writing!

Homework as always is due back by Tuesday, any questions please do ask!!

Have a great weekend & enjoy the fireworks!!!!

Mrs Treves and Mrs Wickham
